

Important Information About Your Warranty:

► **REQUIRED MAINTENANCE TO KEEP YOUR WARRANTY IN FORCE**

In order to keep your warranty in force, your vehicle must be maintained according to the manufacturer's specifications. You must retain all related service records and receipts. The performance of this normal maintenance is not covered under your warranty.

► **PRIOR AUTHORIZATION**

Before beginning any repair work, you must contact the Claims Administrator at (877) 211-7750 to obtain the name and location of an approved repair facility. The repair facility must not commence repair work without first calling the Claims Administrator for prior authorization of the estimated repair work.

► **EXCLUSIONS**

Your warranty may not cover or apply to certain conditions. Please see your warranty for complete details.

The Powertrain on This Vehicle has been Certified and is Protected for as Long as You Own Your Vehicle.

Lifetime Limited Powertrain Warranty

Lifetime Limited Powertrain Warranty

For as Long as You Own Your Vehicle--

Congratulations!
The vehicle you have just purchased comes with a Lifetime Limited Powertrain Warranty, provided to you by your dealer.

This Lifetime Limited Powertrain Warranty Program Provides Coverage For:

- ▶ **ENGINE** (1) All internally lubricated parts contained within the vehicle's engine, including pistons, piston rings, piston pins, crankshaft, crankshaft main bearings, connecting rods and rod bearings, camshaft and camshaft bearings, cam followers, timing chain, timing gears, guides, tensioners, rocker arms, rocker arm shafts, hydraulic lifters, rocker bushings, cylinder head valves, valve guides, valve lifters, valve springs, push rods, oil pump, intake and exhaust valves. Seals & gaskets, only if required in the repair of a Covered Part. (2) The engine block and cylinder heads, provided the breakdown of the engine block or cylinder heads is caused by the breakdown of a part listed in clause (1) above (does not include any part other than what is supplied in the long block assembly).*
- ▶ **TRANSMISSION** Automatic or Standard Transmission. All internally lubricated parts, plus torque converter, seals & gaskets (if required in repair of a Covered Part), transmission case and housing (if damaged by an internally lubricated part). Manual transmission clutches, pressure plates, and throw out bearings are not covered. Transfer case (only if damaged by an internally lubricated part) and all its internally lubricated parts, and seals & gaskets (only if required in repair of a Covered Part).*
- ▶ **DRIVE AXLE** Front or rear. All internal parts contained within the drive axle, drive axle case, constant velocity joints, axle bearings, drive axle housing (only if damaged by an internally lubricated part), and seals & gaskets (only if required in repair of a Covered Part).*
- ▶ **TOWING ALLOWANCE** Under this program, you may be reimbursed for towing services up to \$100 in the event of a Breakdown.

*This brochure is not intended as a complete description of your coverage. For complete details please see your warranty contract.

If your vehicle breaks down,

1. Use all reasonable means to protect your vehicle from further damage. This may require you to stop the vehicle, turn off the engine, and have the vehicle towed.
2. Contact the Collierville Auto Center Lifetime Limited Powertrain Warranty Program Claims Administration offices at (877) 211-7750, to obtain the name and location of an approved repair facility.

Rest Assured.
